IMPORTANT INFORMATION

- Fountainhead School follows a fair and transparent admission process since inception of the school
- The intention is to ensure that the whole admission process is constantly observed and every stakeholder is communicated about transparency and fairness of the process
- Be informed that any direct or indirect attempt to influence the admission committee or its members, academic office bearers or management will result in automatic disqualification of the candidate's application

GENERAL INSTRUCTIONS

- Fill up all the details carefully. Name of child and parents should be as per the submitted documents only
- In case of any change, it should be supported by appropriate legal documents
- Parents must fill in the admission form themselves
- Neither collection of admission form nor its submission is a guarantee of admission to the school
- We follow a fair and transparent process for admission

Please adhere to the deadlines. Applications submitted after the deadline will not be given priority.
